### Safety and security measures

The following safety security measures are installed in college campus.

1. CCTV cameras are installed throughout the campus at various places in the campus
2. At the Entrance of the college and near the hostel security guards are available 24 hours throughout the year and do maintain login register.
4. The outsiders who visit the campus are requested to provide their personal details.
5. After 6 pm students staying in hostels are not allowed to go out of campus.
6. In case of any emergence students can also reach out emergence number.
