ABOUT

PGI - HISTORY & MILESTONES

The Padmashree Charitable Trust was started in the year 1994 with a vision of establishing an organization working for social causes. Padmashree Group of Institutions (PGI), established in the year 1996, houses 8 colleges which offer 60 diverse courses across multiple disciplines. PGI is an education provider and an entrepreneurship incubator in India. It stands tall for competent and experienced professors and the exceptional academic accomplishments of its students across all streams. Padmashree has been recognized by AICTE and permanent affiliation from Bangalore University and also recognized under UGC 2(f) and 12(b).

Vision

"We want the education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet." –

Swami Vivekananda

What Makes PGI Unique

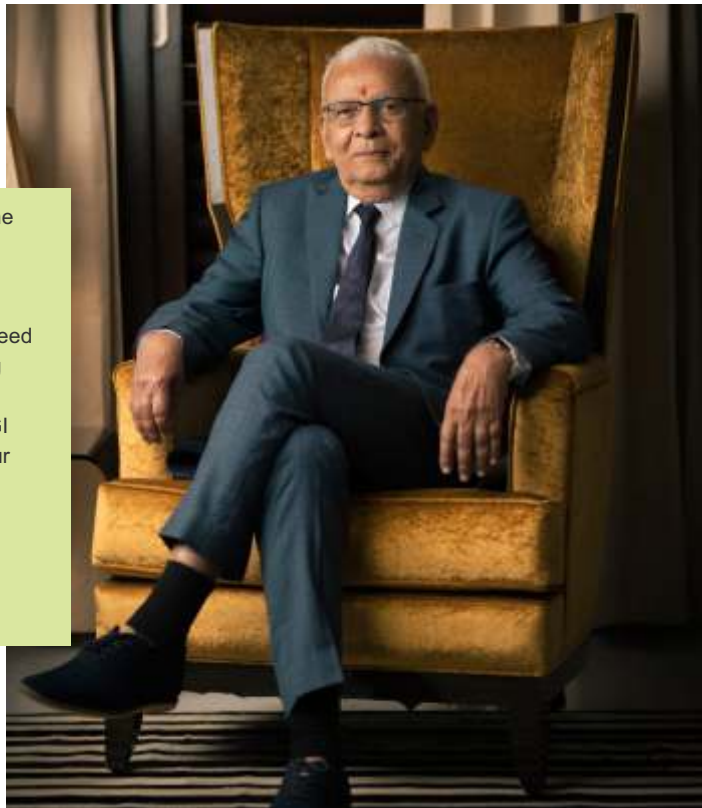

The combination of academic independence, a diverse teaching faculty, and a multicultural atmosphere fosters an environment that promotes the comprehensive growth of students. Access to top-notch infrastructures and facilities, such as libraries, laboratories, and sports facilities, cater to all student needs.

VOICES OF PIMS

When I first entered Padmashree Institute of Management and Sciences I was anxious about my future. Over the two years so many doors were opened for our personal and academic development that I became confident. The college aims at enhancing our knowledge, skills and abilities. These years at Padmashree Institute of Management and Sciences are the best years concerning learning, experience and gaining exposure to fields relevant to my discipline, all due to my faculty members & management. This endeavor will lead our college to incredible heights.

My journey in Padmashree College was just magical, I would say two years was just full of memories and happy learning. Getting teachers in a friendly manner is just awe to look into my college days, they made my learning achievements possible through the way of approach to students which is really a fantastic experience overall. The college provided me with all the resources I needed to pursue my studies and build my career, and I am forever grateful for that. I believe that faculty here are much Specialised in their subjects. The road to success is a rocky one. You need guidance and support to reach your goal. PIMS has been super supportive and incredibly instrumental in shaping my career.

My two years' experience at PIMS has made me to enhance my knowledge and skills to a better extent. I believe that faculty here are much Specialised in their subjects. The road to success is a rocky one. You need guidance and support to reach your goal. PIMS has been super supportive and incredibly instrumental in shaping my career. This College is perfect examples for personality development & academic excellence, not only it enhances the student's academic strength but also amplifies the student's progress in co-curricular activities. The teachers are very reasonable & understanding. The staffs are excellent & the rules they guide us down the right path.

I had received a lot of opportunities to groom myself, thanks to my ever inspiring mentors who helped me to discover the talented part of myself. I am very proud and blessed to be a part of this college as it has taught me many lessons for life. I have learnt to be disciplined towards my studies and carrier. The faculties here are the best as they are friendly and motivating. They are very focused towards our carrier and have very good subject knowledge. I would always be very grateful for the lifelong connections I made

My college experience was a period of personal growth, intellectual stimulation and social engagement. I thank my passionate and supportive professors for their constant guidance. I am grateful for the experiences I had at college and the impact they have had on my life. This could happen only because of the quality of education provided by college along with outstanding support by the college in allowing me to participate in various inter-collegiate activities where I honed my public speaking and presentation skills. As life would have it, I am today a motivational speaker and presenter by profession.

Life at Padmashree is a vibrant blend of class lectures, study sessions, management fests and competitive sports meets. The unique Padmashree culture springs from its closely-knit student community. An environment of caring and sharing is what makes this B-school different. Despite a highly competitive spirit amongst students to excel academically, the atmosphere outside the classroom is one of great comradeship. An atmosphere of collaboration and cooperation has been carefully nurtured over the years and this makes students excellent team players and leaders in every organization that they become a part of. In addition to this, Padmashree group lays great emphasis on ethics and on social responsibility. The institute is highly regarded in the corporate world for its efforts to instill these qualities in tomorrow's business leaders. There are conferences, seminars, guest lectures and workshops where a student is exposed to diverse views, and opinions of the greatest minds in the world of business.

We have the annual management, cultural and sports fest Padmotsava and BizVeda, the business fest to name a few. A student, irrespective of her/his stream, always finds an opportunity to explore their interests.

CAMPUS FACILITIES

Student Council

The Student Council (SC) is the main interface between the MBA student body and the faculty and administration. Its goal is to represent the student body in making the PIMS experience as rewarding and enjoyable as possible. This includes acting on student feedback, planning social events, organising club activities, sports, intercollegiate fest and conference and, offering products and services to students. All members of the MBA student body are members of the SC.

TKN Center for Entrepreneurship

The PIMS community is a place where students are encouraged and inspired to pursue their entrepreneurial passions. There is a vast ecosystem of resources that supports the unique needs of innovators both inside and outside the classroom.

Institution's Innovation Council

Primarily, IIC's role is to engage large number of faculty, students and staff in various innovation and entrepreneurship related activities such as ideation, Problem solving, Proof of Concept development, Design Thinking, IPR, project handling and management at Pre-incubation/Incubation stage, etc.,

IIC conduct various Innovation, IPR and entrepreneurship-related activities prescribed by MIC in time bound fashion. Identify and reward innovations and share success stories. Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.

Student Clubs

Student clubs play an important role in the student experience. Student Clubs are a vital part of the PIMS Community experience that support the school's mission to educate leaders who make a difference in the world. Clubs sponsor a variety of events such as workshops, speakers, and conferences that provide distinct opportunities for learning, networking, and socializing outside of the classroom. Student-initiated clubs at PIMS provide students with channels to address issues most relevant to them and offer opportunities to further develop their leadership skills.

Clubs invite speakers from companies and organizations, engage the community in awareness and service activities, and build connections that complement classroom learning.
